MEMORANDUM FOR: Chief, WH/COG

SUBJECT: James C. Wray

1. I called Mr. James C. Wray today to determine his reason for having called the Agency on 27 February regarding Antonio CUESTA Del Valle's patent application. At that time Wray had stated that as a patent attorney he was representing CUESTA who had an application pending on which some \$140 in fees was due.

2. Wray advised that he had been retained by CUESTA several years ago to file an application concerned with a high speed boat on which a patent was ready to issue upon payment of \$140 in filing fees. He stated further that as a consequence of CUESTA's subsequent capture he had been unable to communicate with him and that he had failed in his efforts to interest CUESTA's friends in assuming responsibility for the fees. Wray readily accepted my representations that the Agency had no responsibility in the matter. According to him, he had called us merely as a matter of last resort.

3. I found Wray's description of the boat's configuration and attributes to be interesting. While emphasizing that we had no responsibility for his client's present situation or for his fees, I suggested that he might want to provide me with the boat's specifications. Wray accepted this suggestion. My thought here was that an item of this nature might be of interest to SOD/Maritime Branch.

B. [redacted] was in charge of her husband's case and [redacted] was his assistant. IDENTITY said that her husband was normally kept at the [redacted] main building, but at a small building on the hospital grounds. She visited him frequently at the Hospital and on one occasion they met in an office [redacted]

C. On 13 April [redacted] made the recruitment pitch to IDENTITY. He said the pitch was on behalf [redacted] and would benefit her and her husband. He said if she would successfully report on [redacted] activities [redacted] and especially activities [redacted] for a period of six months they would release her husband from custody; and after three years of reporting they would grant him permission to depart [redacted]. She said that she certainly wanted to help her husband; however, she did not have any information regarding her husband's activities nor information about [redacted] activities [redacted]. [redacted] instructed her to just do her best and he thought everything would work out all right.

D. For the next few days, [redacted] debriefed her on her family, friends, work, etc.

E. From 20 thru 22 April she was picked-up daily [redacted] and taken to a safehouse [redacted] for training. Somewhere along the route, they [redacted] would stop and pick-up the instructor [redacted] gave IDENTITY training in document photography, development, and techniques in the collection of information. She was instructed in the use of a single lens reflex camera and although she claimed to have done very poorly, [redacted] assured her, that with more practice, she would do OK. He told her to purchase a camera and two gooseneck table lamps with 100 watt bulbs on her return [redacted] and practice until she became proficient.

F. IDENTITY was instructed to print or typewrite (using all uppercase letters) her reports as she obtained the information, hold them and every fifteen days photograph them, develop the film, destroy the reports, and hold the negatives. Every six months she would take all of the negatives [redacted] and deliver them [redacted] (201-335014). Her first assigned meeting with [redacted] was scheduled for any work day between 26 September and 2 October 1967.

G. IDENTITY was told that she would have no further contacts [redacted] but should she have any serious trouble, she could write [redacted]

She was told to make up a false name and return address and sign the letter with the first name used in the return address. She did not receive a code name, was told nothing about EW, was not promised money nor expenses, and was not given any further information or training.

Honorable J. Walker Yeagley
Assistant Attorney General
Department of Justice
Washington 25, D. C.

Dear Mr. Yeagley:

By letter of 5 January 1966, you advised that the Department is contemplating prosecutive action against certain individuals involved in the hit-and-run raid conducted in the Havana Harbor area in November 1965. In this connection, you requested our comments relative to any past or current interest this Agency might have had or has in Antonio CUESTA Del Valle and whether disclosure of that interest in the event of prosecution would be detrimental to its operations. In addition, you also requested to be advised whether this Agency has or ever had an operational interest in Jorge [redacted] Canosa or his anti-Castro organization, the [redacted]

This Agency has no present operational interest in CUESTA or MAS, although it did have in times past. We do not believe that disclosure of these past interests would have any serious consequences for the Agency.

For your information, with 303 Committee approval, this Agency does have a relationship [redacted] pursuant to which limited financial support is provided for the maintenance of its Miami office. While [redacted] should not be knowledgeable of this fact, any statements he might make should not affect our relationship with that organization.

Sincerely,

[Signature]

A Cuban exile with good access to activities of exile activist groups. His reporting on raider activities has been generally reliable since 1962. This information was obtained from [redacted]

circa 1962-1963

1. According to [redacted], a member of Comandos L, a militant Cuban exile organization, Antonio Cuesta del Valle has been in Puerto Rico for several months attempting to set up a camp there for training Cuban exiles. He has also been attempting to obtain permission from the Dominican Republic to use the Dominican camp which was used by Eloy Gutierrez Menoyo, a military leader of the Segundo Frente Nacional del Escambray (SFNE, Second National Front of the Escambray), and has been making regular trips to the Dominican Republic from Puerto Rico for that purpose.
2. On 3 February 1965, Ramon Font Saumell, second in command of Comandos L, told [redacted] that the recent accusations made against the top Dominican military personnel by Gutierrez after his capture in Cuba in January had jeopardized his organization's good relations with the Dominican Government.
